

Rough & Tough tube

Extra heavy duty Cam-tube system

The following parts numbers are boxed with all necessary hardware to perform installation of the cam-tube system.

Note: Puller (part # TDCK – 225) is necessary to install cam-tube assembly without removing the wheel hub form the axle

Part #	Description	Spider Channel	Camshaft	
			splines	side
THIC-15-STD-L	Replaces Hendrickson Intraax tube enclosure	Std	28	LEFT
THIC-15-STD-R	Replaces Hendrickson Intraax tube enclosure	Std	28	RIGHT
THIC-15-01-os-L	Replaces Hendrickson Intraax tube enclosure	1st over size	28	LEFT
THIC-15-01-os-R	Replaces Hendrickson Intraax tube enclosure	1st over size	28	RIGHT
THIC-15-02-os-L	Replaces Hendrickson Intraax tube enclosure	2nd over size	28	LEFT
THIC-15-02-os-R	Replaces Hendrickson Intraax tube enclosure	2nd over size	28	RIGHT
THIC-15-STD-10L	Replaces Hendrickson Intraax tube enclosure	Std	10	LEFT
THIC-15-STD-10R	Replaces Hendrickson Intraax tube enclosure	Std	10	RIGHT
THIC-15-01-os-10L	Replaces Hendrickson Intraax tube enclosure	1st over size	10	LEFT
THIC-15-01-os-10R	Replaces Hendrickson Intraax tube enclosure	1st over size	10	RIGHT
THIC-15-02-os-10L	Replaces Hendrickson Intraax tube enclosure	2nd over size	10	LEFT
THIC-15-02-os-10R	Replaces Hendrickson Intraax tube enclosure	2nd over size	10	RIGHT
THIC-15BT-STD-L	Replaces Intraax cam-bushing system (old style)	Std	28	LEFT
THIC-15BT-STD-R	Replaces Intraax cam-bushing system (old style)	Std	28	RIGHT
THIC-15BT-01-os-L	Replaces Intraax cam-bushing system (old style)	1st over size	28	LEFT
THIC-15BT-01-os-R	Replaces Intraax cam-bushing system (old style)	1st over size	28	RIGHT
THIC-15BT-02-os-L	Replaces Intraax cam-bushing system (old style)	2nd over size	28	LEFT
THIC-15BT-02-os-R	Replaces Intraax cam-bushing system (old style)	2nd over size	28	RIGHT
THIC-15BT-STD-10L	Replaces Intraax cam-bushing system (old style)	Std	10	LEFT
THIC-15BT-STD-10R	Replaces Intraax cam-bushing system (old style)	Std	10	RIGHT
THIC-15BT-01-os-10L	Replaces Intraax cam-bushing system (old style)	1st over size	10	LEFT
THIC-15BT-01-os-10R	Replaces Intraax cam-bushing system (old style)	1st over size	10	RIGHT
THIC-15BT-02-os-10L	Replaces Intraax cam-bushing system (old style)	2nd over size	10	LEFT
THIC-15BT-02-os-10R	Replaces Intraax cam-bushing system (old style)	2nd over size	10	RIGHT
